

About us

Horizon International School Uganda is a private, co-educational international school located in the heart of Jinja City, accredited by Cambridge and licensed by the Ministry of Education and Sports of Uganda. Horizon provides education to learners from the ages of 2.5 to 19 years. Founded in 2014, Horizon develops its learners into open minded, inquisitive, morally upright, innovative and reflective global citizens in preparation for opportunities in the 21st century.
